Rub Me the Right Way Massage Therapy Center opened in January of 2004 and opened RMTRW Massage School in January of 2008. Located at 7420 82nd St., Lubbock, Texas 79424, its 4900-sq. ft. of space has the ability to accommodate the growing number of classes and continuing education classes taught throughout the year. With 3 different class rooms, 9 individual massage rooms and a teacher ratio of 8:1 you will get a more hands on and personal education from your Massage program at RMTRW Massage Therapy School.

RMTRW Massage School's major goal of this course is to prepare students to administer a professional massage in a clinical environment. This implies a thorough understanding of the human body, its anatomy, and its physiology. In addition, you will be expected to practice various allied "modalities" that may enhance your ability to succeed in the field of massage therapy. From the beginning, you are encouraged to assume an extremely professional attitude in regard to the practice of therapeutic massage. You will learn that the most important phase of any good massage happens before the practitioner's hands ever touch the client. Clear communication is essential. High ethical standards are required, and, most of all, the desire to help others feel better via safe, nurturing touch.

RMTRW Massage School also provides newer equipment for your massage training, including overhead projections, TVs and laptops for video presentations, as well a hydraulic lift and manual adjustable massage tables. We also provide tables and chairs for your learning comfort.

At the end of this course, the student will be able to:

- Demonstrate the knowledge of:
 - Massage history and theory
 - Professional massage therapy ethics
 - Human anatomy and physiology as it relates to massage
 - Effects, benefits, and contraindications to massage therapy
 - Equipment and product use
 - Sanitation and safety measures

Meet Donna Miller
Rub Me the Right Way Massage Therapy Center
and RMTRW Massage School Owner / General Manager

Hello, my name is Donna Miller. I was born in New Mexico, and raised in a small town called Grants. I have had a passion for massage therapy and teaching since I was 8 years old. I would often be teaching my younger brother and others math with an old timer desk and chalk board I was given as a child. Growing up I would also massage my Dad's back while he lay on the floor reading the paper and watching TV at night. I recall drawing pictures in the thick lotion for around 2 hours each night. Although, I no longer draw pictures in the lotion on his back, I was given the privilege of giving him massages for 4 years while he lost his battle with bone cancer. I moved to Texas in 1988 shortly after graduating high school and in 1991 I purchased my 1st massage table and started giving massages to my friends and family who were in pain. I enjoyed the healing that it brought to them and they often encouraged me to do this full time. In 1995, I moved to Lubbock, Texas, and since then I have become more passionate about massage and its healing properties. In 2003 when I was laid off from a long-term job, I decided to practice full time what I had always loved to do, massage therapy! I started school in August of 2003 at a local Massage School, and before I was finished with school I hired 3 Licensed Massage Therapists and opened Rub Me The Right Way on Jan 5th 2004 with a much larger massage dream in mind. I had a dream of providing massage to all whom over the years kept giving excuses for not getting massages. One excuse was "I don't have time", so I set my office hours from 9 AM to 9 PM six days a week. Then I would hear, "it's just for people who want pampering", so I created a medical atmosphere where medical charts which are now a part of my practice. With these charts, I could monitor progress and healing with each visit and note each client's personal preferences for the different massage therapists that would work on them. Once I received my Massage Therapy License in Feb of 2004, I proceeded to take over 150 hours of continuing education classes all over Texas and New Mexico in massage modalities such as Medical Massage, Deep Tissue, Sports, Hot Stone, Mother to Be, Massage Ethics, and more. One last excuse I would hear "It's so hard to get into see you" so I hired several more massage therapists and started to train them to perform my massage techniques and made the office walk-in friendly with no appointment needed to get in. In early 2005, I was training a massage therapist who said that "I was not an instructor, and had no right to be teaching", so in March of 2005 I took a class on teaching adult learners and applied for and then received my Massage Therapy Instructors License. Once licensed as an Instructor, I proceeded to write 8 continuing education courses with my own New Mexico flair in massage techniques such as Deep Tissue, Hot Stone, Sports, Mother to Be, Stretching Upper Body, Stretching Lower Body, Repetitive Stress Relief, and Reflexology. In late 2005, I took a 30-hour Medical Massage CE class and started accepting insurance claims that require a doctor's referral and filed claims for clients with workers comp, PIP, and Liability Ins. After doing a few claims, I decided that my second passion in life was teaching and it needed to come to life. I then applied for my Continuing Education Providers License in October 2005 and have since taught over 1000 hours of continuing education classes to Licensed Massage Therapists all over Texas and NM to uphold their license. In July of 2006, I went to work part time for a different massage school in town, to teach their Intensive Basic course to 30 students. After comparing the 2 schools in Lubbock, I decided to prepare my own 500-hour program and open my own massage school. After starting the process in late 2006, I applied for my Massage School License and opened RMTRW Massage School in Nov 2007. I started my first massage class Feb 2008, and now have taught over 9500 hours to 21 massage programs. July of 2014 I attended a CE class at MD Anderson Cancer Center in Houston to learn to work with clients with Cancer. With all of this training and knowledge, I take pride in making sure that my staff and students have the training needed to provide our clients with all the variety of Medical Massage Therapies that Rub Me the Right Way offers.

Attendance / Leave of absence / Make-up Policy

Attendance - A master record of attendance indicating the number of scheduled hours for each class session and the hours absent are maintained by the faculty in a roll-book for each student. Each student is required to attend all classes as scheduled. The Texas Department of State Health Services – Massage Licensing Department requires completion of all 500 hours of the curriculum and must pass a state required exam to be eligible for Licensure in the State of Texas.

An absence shall be charged for a full day when the student attends none of the scheduled classes on that day. A partial day of absence shall be charged for any period of absence during the day. A student will be terminated from the program if the student accumulates absences of more than 10 consecutive school days or more than 15% of the total clock hours of the program. The refund policy shall apply to a student terminated and shall be the last day of absence as stated above in this section if no dated written notice has been received. If attending on a VA Montgomery GI grant then a notification to the Department of Veteran Affairs will also be sent. A student whose enrollment is terminated for violation of the attendance policy may not reenter before the start of the next grading period. A student may not start a program after 10% of the program has been taught except in those cases where appropriate credit for previous education has been given.

Leave of absence – A leave of absence for reasonable purposes acceptable to the school director shall not exceed the lesser of 30 school days or 60 calendar days. A student shall be granted only one leave of absence for each 12-month period. Attendance records shall clearly show the dates for which the leave of absence was granted. A written statement, as to why the leave of absence was granted, signed by both the student and the school director indicating approval, shall be placed in the individual student’s file. If the student fails to return from leave, the student will be automatically terminated and a refund made under the cancellation and refund policy. The effective date of termination shall be the last date of the leave of absence.

Make Up Policy – Make-up work shall not be authorized for the purpose of removing an absence. At its discretion the school may allow a student, who for reasons acceptable to the school, is experiencing non-repetitive, extreme attendance problems to make-up essential coursework. It is the student’s responsibility to contact his/ her department director to arrange for any make-up work. No more than 15% of the total programs hours can be made up. In the event the event that a student misses a significant number of hours in a course, the instructor may determine that it is in the best interest of the student to repeat the entire course. Students enrolled in the Massage Therapy Program are required by Texas Department of State Health Services to attend 100% of the first 500 hours of the program. Therefore, all absences during the first 500 hours must be made up. Any hours missed during the state mandated curriculum, which constitutes the same 500 hours, must be made-up by the student. The student is responsible for paying any additional fees before scheduling any make-up hours. Course work will be made up in timely manner. The make-up sessions should occur during the school’s regular business hour and only when an instructor is available. Because students enrolled in Massage Therapy Program are required by the state to make-up hours, this must be completed before internship begins. Students enrolled in the Massage Therapy Program will acknowledge this imposed fee for make-up work by signing an acknowledgement from when they enrolled in the program. During the 500 hours of the program the school’s regular make-up policy applies AND fees are as follows – make up cost is \$12.50 for any ½ hr, \$25.00 per hour or \$175.00 per day will be assessed for make-up work during the remainder of the 500-hour program. Scheduled make up days that are missed will not have a credit due for rescheduled make up days. Make up days are the 2nd & 4th Friday and Sunday of every month or the particular day of the program you missed in another class programs schedule.

All make up days must be completed before student may start internship.

All make-up work must:

1. Be paid for and scheduled in advance before any make up time can be made up & if student fails to show for scheduled make up time then additional fees will need to be paid for additional scheduled make up time at the same rates as above.
2. Be supervised by an instructor approved to teach the subject matter being made up.
3. Require the student to demonstrate the same level of knowledge and competence expected within 10 days following the date the student was absent or the date in which the student returns to school.
4. Be documented by the instructor as being completed. The documentation should include the date, time, and duration of the make-up session. As well as the name of the supervising instructor.

Transfer of Credits

If a student wishes to receive credit for previous training they have completed, they must submit an official transcript to the Texas Department of State Health Services for review. Upon written confirmation from the Texas Department of State Health Services for prior course work taken, the written confirmation will be placed in the student’s file. This will allow your tuition to be reduced and your length of program to be shortened. You can find out this information by calling: (512)834-6616

PLACEMENT PROGRAM

RMTRW Massage School places great importance on assisting graduates in starting their careers. Their success is a reflection of the school's success. This program allows our graduates more individual attention and gives them an advantage over graduates from schools that have only one or two large graduating classes per year. We wish to make it clear that due to the vastly different personalities, characteristics, and background of each individual graduate, the school does not guarantee placement/employment. We do, however, accept the responsibility of making every reasonable effort to assist each graduate in finding employment; however, it may be necessary for graduates to relocate to areas where the greatest career

opportunities exist. Job placement results are greatly influenced by the student's attendance, overall attitude and academic performance. Graduates are expected to update their phone number, address and resume regularly with RMTRW Massage School. PG.7
